MCCLOY RINK WINS IN BRIAR FINAL FROM GOODER OF OLDS

To Play in Southern Alberta Finals in Calgary

The district play-downs for the Macdonald Briar Competition were held at Didsbury last Friday with curlers from Olds, Didsbury, Carstairs, Crossfield and Airdrie competing.

Previously four local rinks, McCloy, Klein, Edwards and Morton played local round robin games to decide a winner to represent our town, and Jack McCloy's rink won the honor.

In the round robin series between the various towns the Gooder rink of Olds and McCloy rink of Didsbury won out in the semi-finals and played off in the finals, and an interesting game it was. McCloy of Didsbury was three down on the tenth end, but scored three to tie the game on the eleventh. In the last end McCloy again scored three to make the final score 11-8 for the Didsbury aggregation.

The Gooder rink of Olds was favorites to win, as last year these same curlers went to the Alberta finals before losing out.

The players on the Didsbury Briar championship rink were Jack McCloy, skip; Jim Calhoun, third; Ken Cassidy, second; and Art Reiber, lead.

The McCloy rink will represent this division in the play-downs to be held at Calgary sometime after the Calgary bonspiel, to decide the curling champions of Southern Alberta.

MRS. MATILDA DAGEFORD DIES AT PORTLAND, OREGON

Mr. Herman Dageford received word Monday that his mother, Mrs. Matilda Dageford, had passed away at Portland, Oregon, on January 7th.

The remains will be brought to Didsbury and funeral services will be held at the Westcott Lutheran church, date to be announced later.

FINE WEATHER PREVAILS

The weather this Wednesday as The Pioneer goes to press is still warm and bright. With temperatures above the freezing mark.

THORA'S COFFEE SHOP AT HIWAY SERVICE STATION OFFICIALLY OPENS JAN. 13

Official opening of Thora's Coffee Shop at the Hiway Service Station a mile east of Didsbury takes place on January 13th and Mrs. Milosne announces that there will be 24-hour service to the travelling public. Miss Blanche Vickers and Miss Ethel Snyder will assist on the staff of the coffee shop.

A new building has been constructed to house the coffee shop, which is up-to-date in every respect, and complete meals are being served along with light lunches.

FALLEN TIMBER NOTES

The children's concert held in the Fallen Timber school house on Friday evening December 21st, in spite of the cold weather and deep snow, was well attended and almost everyone in the district was present. The children were well drilled in their parts. Santa Claus was on the job and numerous presents were exchanged. A beautiful lunch was served. The decorations were excellent and a beautiful blue spruce tree with colored lights gave it the modern Christmas touch. After lunch a couple of hours was spent in neighborly visiting, before old and young departed for their homes, claiming it one of the best ever.

Miss Betty Mellon of Calgary, a former resident of the Fallen Timber district, spent Christmas at the McCullen home.

The snowstorm of last week end almost completely blocked the roads between Elkton and Didsbury. Great credit should be given Mr. Alex Hogg for getting his crew with caterpillar snowplow to work so promptly. Working almost all day and night he succeeded in getting the main roads open so that people were able to get through in time to make their Christmas purchases.

Albert McMullen of Sylvan Lake and Don McMullen of Red Deer spent Christmas at the home of their parents, Mr. and Mrs. R. E. E.

Joe Teynor has purchased the Walter Urm farm and is moving on to it in the near future.

We Dick Jr. gathered up a truck load of young people and took them to the ice carnival and dance at Cremona Friday evening.

We saw Elmer Hayes with his team pulling a Cadillac car out of the ditch the other day.

A family gathering of 30 had dinner at the home of Mr. and Mrs. Bill McCulloch on Christmas. Two members of the family are still overseas.

Rev. Mr. and Mrs. C.B. Moore of Calgary visited over Christmas with their daughter, Mrs. Johnnie Houston.

Miss Francis Hayes of Summerland, B.C. is visiting her parents, Mr. and Mrs. Elmer Hayes.

There are three saw mills now operating in the district.

The Morrison boys are getting out mining props.

We saw Howard Steen go past the other day driving a nice pair of new steppers on a new little sleigh. A real snappy outfit.

Bob McNaughton and family of Didsbury spent Christmas at Fallen Timber.

Bill Monney has moved back to his old home at the Fallen Timber Ford.

Ken Mullin has purchased the timber on the N. W. of Sec. 35, Twp. 30, Rge. 5, W5, from W. J. Dick and will be logging and sawing in the near future.

While returning from a visit at a neighbor's home the team of Elias McQuarrie became frightened and ran away. One of the animals broke its leg and had to be destroyed. The occupants of the sleigh, besides Mr. McQuarrie, were John and W. J. Dick, and were uninjured, although they received a mild shaking up.

Julius Hehn, 86, passed away in the Didsbury hospital on Tuesday, January 8th.

Funeral services will be held at the Evangelical Church, Didsbury, Thursday, January 10, at 2:00 p.m., with Rev. A.M. Amacher officiating.

RUGBY W.I. MEETING AT MRS. MCNAUGHTON'S HOME

The first W.I. meeting of the New Year was held at the home of Mrs. McNaughton with a very small attendance. During the business session discussion took place on a request from headquarters, that members make and equip a number of "Housewives". These cases are to be filled with cotton, needles, mending, etc. and sent to the War Convener who will see that they are sent over to W.I.'s in Britain for distribution. It was decided to make some of these as soon as possible.

During the afternoon a draft was made of the schedule for this year's meetings, and the gathering ended with the National Anthem, followed by lunch.

Next month the meeting will be held at the home of Mrs. Audrey Cowitz.

HAS FINE LODGE ROOM

King Hiram Masonic Lodge No. 21 has recently added 50 new plush chairs to their spacious hall above Mac's Hardware. This lodge room is now the best along the line outside of the cities.

FUNERAL OF DANIEL HAYNES

Daniel Walter Haynes, beloved son of Mr. and Mrs. Guy Haynes passed away in the Olds general hospital on December 30th at the age of 18 years.

He is survived by his mother and father, three brothers, Guy of Sundre; John of Olds; and Ivan of Claresholm; and a sister, Mrs. Don Ross of Powell River, B.C.

Funeral services were held on Saturday, January 5th from Fisher Funeral chapel at Olds, with Rev. A.L. Elliott officiating. Interment was made in the Olds cemetery and pallbearers were: Boyd Radford, Billy Bernard, April Brooke, Allan Roeth, Albert Gose and Andy Ross. Olds Gazette.

POLLING PLACES SET IN EVENT OF ELECTION IN THE MUNICIPALITY

The Council of the Municipal District of Mountain View No. 49 met at Didsbury on Monday, January 7th and the minutes of the previous meeting were accepted and the financial statement for December approved.

It was decided to place an order for a road bed of culvert material for 1946.

A number of tax consolidation agreements were submitted to the council and approved.

Instructions were given to order two dozen signs "School—Go Slow" and two dozen "dancer" signs.

Geo. Leask resigned as poundkeeper of the town and council accepted his resignation.

Application is being made to have Ten 33-4.5 and that part of Town 32-5 by-laws east of the Big Red Deer river inspected by officials of the P.F.A.

In the event of elections in Division One and Three in the municipality this year, the following polling places were set:

Division 1—
Scotia School—All of 28-27.4, and the south half of 29-27.4.

East Crossfield Hall—All of 28-24, south half of 28-24.

Crossfield—All of 28-24, south half of 29-24, all of 28-1.5, east half of 28-2.5, and south half of the east half of 29-2.5.

Division 2—

Hawke's School—All of 30-29.4, north half of 29-29.4, north half of 29-28.4.

Carstairs Hall—All of 30-1.5, east half of 30-1.5, north half of east half of 29-2.5, and north half of 29-1.5.

Council placed an order for a "ballot box" to be delivered with the D-3 tractor, ordered some time ago.

The date of the tax sale was set on or about June 1, 1946.

The next meeting of the council will be held on February 4th.

ALBERTA A FAVORED PROVINCE — WILL DIDSBURY PLAY ITS PART?

With the war over and the country now endeavoring to get back to peace time production Canada as a whole is in line for great strides in the post-war period. We have unlimited production of forest products, livestock, grain and minerals, and the trend is towards greater manufacturing. In this respect Alberta is not to lag behind others and already plans are being laid for a number of manufacturing concerns in this province.

But this is not the whole story. At present Alberta has one of the greatest oil fields in the British Empire, and while we are not producing anywhere near our requirements, indications are that new and greater oil fields will be opened up in the near future.

All cities are making progress, and so are many Alberta towns, including our own town of Didsbury. Not to be outdone by our cities many Alberta towns in the past twelve months have voted overwhelmingly for water and sewage projects. The people of these towns are not going to take a back seat to any city, and by taking this attitude the broad-minded and progressive citizens of these towns are building towards future cities.

The trend of population is once more drifting back to the towns and villages and those communities offering the comforts and conveniences of the cities are going to reap the greatest benefit. In this respect Didsbury is on the threshold of greater advancement than many towns of similar size. But we have not yet announced to the people of this province that we ready to go ahead with other communities. This announcement can only be made when we tell all and sundry that we have passed our water and sewage by-laws and can offer prospective home owners the conveniences of the city.

These by-laws are now in preparation and while some unforeseen difficulties necessitated a postponement of the voting day, these have now been largely overcome and we should be voting shortly on the greatest improvement in the history of Didsbury.

When this time comes all ratepayers are urged to think first of their home town and the advantages of modern conveniences, and cast their ballot in favor of both water and sewage by-laws.

WHY GROW MORE BARLEY

Although barley as a crop has several advantages, its chief uses commercially are for malting and feed. The growing of barley will provide some protection against wheat surpluses which are likely to recur with the return of normal world production.

Maintenance of barley acreages for both malting and feed is advocated by J.F. Birdsall, supervisor of crop improvement in Alberta. While no premium is offered at present on malting barley, it will undoubtedly command a higher price when feed and seed supplies improve and normal conditions return. Varieties acceptable for malting are O.A.C. 21 and Olli, both of which are rough awned.

Feed barley acreage must be maintained to satisfy the demand both for domestic live stock feed, and to supply the requirements of Eastern Canada. There are several good smooth awned feed varieties, of which Neval is the most generally grown in Alberta. Those who are planning to purchase barley seed in any quantity for next spring are warned that stocks of commercial seed are limited. Requirements should be obtained without delay.

FOOD PRODUCTION IN ALBERTA FOR 1946

Maintenance of agricultural production at the 1945 level was the objective held recently at Ottawa. For Alberta, the only changes suggested in crop acreage of 5%. Changes in live stock marketings include a 3% increase in hogs, a 17% increase in calves and a decrease of 5% in sheep and lamb marketings. Proposed cattle marketings remain unchanged. The 1946 objective for creamery butter, cheddar cheese and poultry meat are all set at the 1945 level, but it is suggested that egg production be reduced by 5%.

The world demand for food is still high, and the people of Europe and other devastated war areas are looking to Canada to continue adequate supplies. Alberta farmers can do their share by using the objectives as a guide and attaining production levels suggested.

"Everybody thinks about himself," said a downcast man, "and I'm the only one who thinks about me."

BARLEY VARIETIES IN 1945

During the past summer, Live Elevator agents throughout the Prairie Provinces were asked to estimate the percentage of the total barley acreage, in their own districts, occupied by different varieties. Reports, herein summarized, were received from 1,961 grain buyers.

Manitoba

In Manitoba, last year, 32.6% of the barley acreage was seeded to Plush, 28.1% to O.A.C. No. 21, 12.1% to Gairton, 9.7% to Wisconsin, 8.4% to Sanalta, and 9.1% to other varieties. The recommended varieties, occupied by different varieties, occupied by different varieties. Reports, herein summarized, were received from 1,961 grain buyers.

Saskatchewan

O.A.C. No. 21, the leading variety in Saskatchewan, occupied 27% of the acreage, and was followed by Plush, 13.5%; Hanchen, 13.7%; Prospect, 12.7%; Regal, 9.2%; Treb, 9.1%; Rex, 7.4%; and other varieties, 7.1%. Varieties recommended for Saskatchewan last year, namely: O.A.C. No. 21, Plush, Neval, Regal, Prospect, Rex and Hanchen, occupied 84.7% of the total Saskatchewan acreage.

Alberta

In Alberta, O.A.C. No. 21, Neval and Treb were the varieties of major importance occupying 29.0%, 25.5% and 22.0%, respectively, of the acreage, while Olli occupied 9.5%, and others, 10.4%. The recommended varieties, O.A.C. No. 21, Olli, Neval, Sanalta, and Treb, constituted 92.6%.

Conclusion

Although the percentage of non-recommended varieties is not high for the averages of each province, the above figures do not preclude the possibility that varieties are being grown in localities for which they are not recommended. The importance of growing varieties recommended for the various soil zones should be considered by all farmers when plans are being made for seedling operations.

NOTES FROM THE WEST

(Too late for last issue)

Marion Bagshaw of the Elktion school won \$25 over the radio broadcast of Harmony House, Vancouver, on Monday, December 17. Mr. and Mrs. A.L. Hogg received a telegram from the RCAF hospital at Lea Island on Dec. 20, stating that their son, LAC Norman Hogg, had been operated on for acute appendicitis on the 19th and that his condition was good.

The Elktion Christmas concert was quite a success and the teacher is to be congratulated on the showing as she has only been at the school for a short while. Santa was voted the best for many years and caused quite a lot of amusement while giving out the gifts.

Les Evans played a good Samaritan when he bucked the snow on Dec. 21st to take Mr. Sid Wright to the Didsbury hospital. Among those who had supper with Mr. and Mrs. Campbell on Christmas day were Mr. and Mrs. Victor Schmidtmiller, Mr. and Mrs. P. Luft, Mr. and Mrs. A.L. Hogg and Arnold, and Mrs. B. Banting and Lavigne.

Mr. and Mrs. C. Reinhart were dinner guests with Mr. and Mrs. J. Bagshaw Christmas Day, and Mr. and Mrs. O. Thompson and family were guests with Mr. and Mrs. C. Birt.

Sam and Mrs. E. Lowrie were up from Calgary over the Christmas holidays.

Mr. James Hosenood, an old timer of the Rugby district, received congratulations last Sunday, Dec. 30th on his 79th birthday.

Mr. and Mrs. Wilson and family of Cremona were dinner guests with Mr. and Mrs. A.L. Hogg on New Year's Day.

Mrs. O. Krebs entertained the family on New Year's Eve down to dinner, when about twenty sat down to dinner.

Mrs. D. Evans was in Calgary for a few days last week.

Mr. Arnold Bardon from west of Water Valley was removed to the hospital on Dec. 30th when she accidentally shot herself in the face with a .22 rifle. It was quite a trip by team, car and ambulance, but the patient is reported as doing well.

Cremona had a successful ice carnival on Friday, Dec. 28th with lots of prizes and fun.

They stepped into a church and were made one. Nowadays the question is — which one?

FINDLAY—ORME

In a quiet ceremony performed at the home of the bride at Red Deer on December 27th, Helen Elizabeth, second daughter of Mr. and Mrs. George Orme, became the bride of F.L. Gordon William Findlay, only son of Mr. and Mrs. J.M. Findlay, also of Red Deer.

Rev. D. Whyte Smith of Didsbury officiated. Mrs. G.W. Findlay has been the Senior Health Nurse on the local staff of the Health Unit since the first of May.

CLARKE—ALFORD

At a pretty wedding at St. Luke's Anglican Church in Red Deer on January 5th, Edna Virginia, daughter of Dr. and Mrs. A.A. Alfard of Oakville, Manitoba, became the bride of Mr. T.W. Clarke, of Red Deer, youngest son of Mrs. Norman Clarke of Didsbury.

HOCKEY CLUB NOTES

At a meeting of the Senior Hockey Club held in the New Koffee Kourer on Wednesday, January 2nd, the following business was discussed and approval of the following officers was given:

Coch, George Wilkins.
Captain, William Wiedner.
Sec. Treas, Maurice Patterson.
Hockey practice will be held every Thursday evening at 7 p.m. sharp unless otherwise specified.

Drivers of cars who take players to games away from Didsbury are to be paid at the following rates:
To Carstairs and Olds, \$1.00.
To Crossfield and Bowden, \$1.50.
To Innisfail, \$2.00.

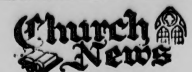

The hockey team is comprised of the following players from Didsbury and district: Glenn Evans, Frank Moon, William Moon, Hollis Anderson, Stuart Liesemer, Johnny Holuh, Lawrence Krebs, George Wilkins, William Wiedner, Ernest Wilkins, Charlie Newton, Royden Moon, Fred Evans, Robert Erb, Robert McLean and E. Ole Dupont. Two games have been played with Carstairs. The first game was played at Didsbury, Carstairs winning 3-2. The second game played at Carstairs Wednesday evening resulted in a win for the Carstairs team 6-0. Due to weather conditions on Dec. 21 a game with Crossfield had to be postponed and arrangements are being made to have this played at an early date.

Since the arrival of the club sweaters and socks the team is very easy to distinguish while on the ice. New neck tags are due to arrive this week end.

All hockey fans are requested to keep an evening date with the boys at the Didsbury Skating Rink at 8:15 sharp for their home games. You will see posters announcing time and admission to the game.

In the world, wants a degree of price security extend into the peace years and is asking the United States for a formal contract covering a number of years. The United States is not anxious so to do because in a couple of years the Philippines will be back in the sugar business and so will Java, and there will be an abundance of that product.

Nice night
In July,
Stars shine
Big moon
In park
On bench
With girl
In Clinch
Me say
Me love
She coo
Like dove
Me smart
Me fast
Never let
Chance pass
Me say
O. K.
Wedding bells
Ring, ring
Honeymoon
Everything
Settle down
Happy man.

Another night
In June
Stars shine
Big moon
Ain't happy
No more
Carry baby
Walk floor
Wife mad
She fuss
Me mad
Me cuss
Life one
Big spot
Nagging wife
Bawling brat
Me realize
At last
Me too

UNIVERSITY EXTENSION
LIBRARY CATALOGUE

The University Extension Library announces the publication of its new catalogue containing a complete list of the 20,000 books in the Open Shelf collection. Books in many fields—fiction, history, travel, biography, literature, science, agriculture, handicrafts and hobbies—may be chosen from the catalogue and borrowed from the Extension Library.

The price of the catalogue is 50c. Except for postage the library service is free to rural readers. Enquiries and requests should be sent to the University Extension Library, Court House, Edmonton.

THE WAR GOES ON

(By H.G.L. Strange)

The fighting war is over, but the peace has still to be won. To ensure that peace, however, requires that we should, all of us, including farmers, business men and governments themselves, realize that another war still has to be won: a war that is going on all the time and with which there is never any Armistice. **The War Against Hunger, Cold, Disease and Want.** Our prairie farmers have an important part to play in this great continuing fight, for they are the responsibility of producing foodstuffs for the hungry people of the world. Our farmers made an enviable record in this war in providing vast quantities of food for our fighting men and for the civilian population of our Allies. Our farmers can make a contribution of the same high order in the production of foodstuffs during these present difficult times.

The lowering of costs of production would enable more and more wheat and other products to be sold at reasonable prices, and still leave a satisfactory margin of profit for our farmers. To devise means, therefore, of lowering costs of production is, for one feel, one of the most important matters to which our prairie farmers and their advisors can set their minds. This column will do its best in endeavoring to impart to farmers information along these lines as it becomes available.

A farmer took the pig to town and sold it. With the proceeds he bought a suit, a hat, a pair of shoes, and then tucked the bundle under the seat and said, "Giddap, Oriole, let's get home and surprise the wife." On his way home he stopped at the river, took off all his clothes and threw them in and they sank. Then he looked under the seat for his new outfit. It was gone. So he went in the buggy and said, "Giddap Oriole, we'll surprise her anyway."

BUNGALOWS FROM SCRAP

Five great United Kingdom bomber factories are now turning out the world's finest prefabricated houses. This was revealed recently by the secretary of the Ministry of Aircraft production in London, Mr. Woodburn, who said: "Blasting bombers into bungalows is the modern version of turning swords into plough shares. Fifty thousand bungalows will be produced in the United Kingdom in the next year or two from a thousand tons of aluminum scrap recovered from obsolete aircraft."

GROWTH OF SOUTH-WESTERN
ALBERTA NOTICEABLE

Publicity is being given to the noticeable growth and present prosperity of South-western Alberta. A brief review of the many changes which have taken place in this great area over a period of about three-quarters of a century makes interesting reading. From the original state of hostile Indians, in a country in which the buffalo herds were everywhere in countless numbers, to the ranching period, and from there to the rich agricultural region now existing, to which is added an industrial expansion that is enlarging every year, a tremendous change has come to this important and ever productive part of the province. Alberta, in practically every part of the province, has much to attract the settler—farmer, rancher or industrialist—but at the moment the area of the south-west is deserving of special attention in its production of new wealth.

TO PREVENT BITTER OR
"WINTER FLAVOR" IN CREAM

Complaints of a bitter flavour in cream are often received at this season of the year and throughout the winter. Many farmers find this flavor difficult to understand since conditions would now seem to be at their best for the production of sweet cream. D. H. McCallum, dairy commissioner, advises, however, that most of this bitter cream is not sour. The bitter flavour is not caused by the growth of bacteria, but by the activity of the milk enzyme known as lipase.

One precaution that can be taken against this bitter or winter flavour is to avoid using the milk from stripper cows, since milk produced at the end of the lactation period is reported to contain a more active form of the enzyme, lipase. Increases in the temperature of milk and cream after it has been cooled 50 degrees Fahrenheit also increase the activity of this enzyme. Any practice which increases the temperature of cream after it has been cooled, such as the addition of warm freshly separated cream to the cold cream, or storing the cream in a place where temperatures vary considerably, may create an ideal condition for the development of bitterness. Bitter flavour develops very quickly in frozen cream. Almost all cans of frozen cream show some bitterness.

As precautions against bitter flavour in cream, milk from stripper cows should not be used; warm freshly separated cream should not be added to the cold cream; cream should not be stored in a place where temperatures vary considerably, and frozen cream should be avoided.

NEW LOOM WITH NO SHUTTLE

A new loom which has no shuttle but which lays the weft across the warp by a carrier moved to and fro by a special spring device has been developed by a United Kingdom firm. The head of the firm believes that the loom may lead to a revival of home weaving because it can be installed in a spare room, can produce a wide variety of fabrics and is without the clatter made by the ordinary loom. It is claimed that one skilled operative and an assistant could "mind" twenty-four of these looms without difficulty.

SECURITY AND PEACE OF MIND

Social security is a phrase prominent in public discussions these days, but the practice of it is not new. Consider the banks and their employees:

1. *Pension Funds*, to which, with their employees, banks themselves contribute substantially, make it possible for employees to devote all their business lives to banking, sure of an income for life when they reach the age of retirement.
2. *Annual vacations* with pay.
3. *Ordinary sick leave* with pay, and special sick leave arrangements in special cases.
4. *Group life insurance* contributed to jointly by banks and employees.
5. *Good working conditions*.
6. *Unlimited opportunity* for enterprise and advancement.

Banks and their staffs, in co-operation with each other, have made it possible for the latter to enjoy a well-founded sense of permanency and security.

IT'S THE LOCAL TOUCH THAT REALLY COUNTS

The magnetic power of local news to win and hold people's attention is as fundamental as human nature itself. Local news begins to play its part in a man's life with a one-line notice announcing his birth. Progress in school, participation in sports, graduation, engagement, marriage follow... each likely to figure somehow in local news.

Then comes the upward climb in business, perhaps an entry into politics, almost surely some activity in civic, religious and social affairs... each step productive of news that's of vital interest to self, to family, to friends and fellow townspeople. So it goes till death itself writes the final story.

Only in the Hometown Weekly Newspapers can people satisfy their craving for this kind of news, their unceasing curiosity about what goes on close to home. And only there can they find every week the local buying information they need. Which explains very largely why people read The Didsbury Pioneer so eagerly and thoroughly, and why such weekly newspaper advertising produces such satisfactory returns.

Local Business Men cannot afford to neglect these buyers who live in Didsbury and district, and are so well served by

Mr. and Mrs. Dick Page are holding their wedding dance at the Lone Pine hall this Friday evening, January 11th.

Miss Muriel Haynes who has been attending the Prairie Bible Institute at Three Hills, spent the week end at her home. Muriel was unable to spend Christmas at home as the entire school was under quarantine until Friday, Jan. 4th.

Roy Dowell returned to Calgary Saturday after spending his holidays with his mother and sister at the home of Fred Metz.

Mr. and Mrs. Alf Thompson and daughter were supper guests on Thursday evening with Mr. and Mrs. Elwood Topley.

Mr. and Mrs. Otto Bittner and family, George Long, and Mr. and Mrs. W.H. Gates were guests Friday evening with Mr. and Mrs. Alf Thompson. A most delightful supper was enjoyed and a jolly evening was spent.

Ladies, please note that the Lone Pine W.I. meeting will not be held this Thursday, but next Thursday, January 17th, at the home of Mrs. Alf Thompson. Pot luck lunch.

Didsbury was crowded with farmers from West, even from Hartmann, and East, as far as Sunnyvale, at the Welcome Home to the Boys and Girls recently. Everyone seemed especially happy, visitors were returning to the homes. But there was a definite air of relaxation. The boys and girls are returning.

Misses Gladys and Lois Shells expect to start school at Jutland commencing January 7th.

Mrs. A. Jenkins spent the week end in Lone Pine District with her son, Dennis, and Mrs. Jenkins.

Mr. and Mrs. Bruce Shells were Calgary visitors on Saturday.

We are very sorry to hear that Mr. Haynes is ill in Didsbury hospital, but hope that he will be much improved by now.
